## PRESS RELEASE

## Construction software developer Foundation Software and Piracle, Inc. offer secure payment solution to contractors.

**July 6, 2010, Cleveland – For Immediate Release:** Foundation Software Inc., developer of the award-winning [FOUNDATION® for Windows® construction accounting software](#), is working in conjunction with Piracle, Inc. to offer Piracle's Create-A-Check secure payment solution to the construction marketplace.

Piracle is excited to add Foundation Software to its list of proud Create-A-Check users. "Our customer base grows continually as we expand the breadth of secure payment solutions in the market," Piracle CEO John Bechard said.

In addition to using Piracle's Create-A-Check software in-house, Foundation Software is also offering this product to their customers in the construction industry.
