

CONSTRUCTION CONTRACTORS

Construction Industry:

The construction industry is one of the largest segments of the American Economy and employs more people, contributes more to the gross national product and consumes more raw materials than any other single industry.

As such a vital part of the economy it is imperative that contractors have timely and accurate financial information to successfully manage their businesses. It is crucial for all contractors to thoroughly understand the financial aspects of their businesses by engaging a CPA who understands their business and is dedicated to serving their specialized needs.

Woodall Group's extensive experience in serving a multitude of contractors, our seasoned staff of CPAs, and our use of state-of-the-art technology provide all the resources necessary to serve well the contractors of the Southeast.
