

FOUNDATION SMART

The smart tools to get the most out of FOUNDATION from your smartphone, tablet and more.

Keep the jobsite and the office connected with FOUNDATION mobile®, a Web-based app for your mobile device. Enter, manage and approve timecards, and with our field log record important job data to sync with your FOUNDATION modules.

FIELD LOG OPTIONS

DAILY LOG

Review detailed daily log reports on your mobile devices.

LABOR

Manage single and crew-driven timecards remotely.

QUANTITY COMPLETE

Update completed quantities on the spot.

MATERIALS

Log transferred materials and inventory receipts.

EQUIPMENT

Submit equipment usage, even idle and down time.

WEATHER

Use geolocation to auto-fill jobsite weather in one click.

NOTES

Save and manage notes by job and date with custom priority codes.

TIMECARDS FEATURES

Use the time-saving crew entry to submit timecards by selecting custom employee groups, or enter single timecards by employee.

Set an approval process that lets project managers review, mark up, send back or approve employee timecards so they can catch mistakes before they're issues.

With grid timecards, conveniently enter hours at the end of the day for your whole jobsite, including multiple trades, crews, pay codes and cost codes.

▲ SERVICE DISPATCH mobile

Send your technicians into the field with a full toolkit. Service Dispatch mobile™ helps your service techs efficiently manage their dispatches using almost any mobile device.

- ✓ Retrieve dispatch details, including GPS navigation, service history and equipment info.
- ✓ Clock in and out, record materials used, and submit dispatch notes.
- ✓ Save data even in offline mode when out of service.
- ✓ Capture and send signatures on custom service review forms.
- ✓ Sync data to FOUNDATION'S Service Dispatch Module.

eAccess

With eAccess, employees have immediate access to their payroll information whenever they want, wherever they are. Employees simply log in to their secure, unique eAccess account, and our easy-to-use dashboard packages the information they want to know.

Print past and current pay stubs.

Track vacation accruals and usage history.

Review deductions and taxes.

Updated continuously from FOUNDATION.
